Shuqaiq, Saudi Arabia

Education

B.Sc. in Industrial Engineering |
Jazan University, KSA "2015"

Skills

- HSE & Risk Management | NEBOSH & OSHA Certified
- Mechanical Maintenance & Troubleshooting | Steam & RO Plants
- Permit-to-Work (PTW) Systems | CMMS & SAP ERP
- Technical Training & Safety Compliance | ISO & OSHA Standards
- Equipment Inspection & Failure Analysis | Predictive & Preventive Maintenance
- Software Proficiency | MS Office, SAP ERP

Language

- English: Advanced
- Arabic: Native

SUMMARY

Results-driven Mechanical Supervisor & HSE Officer with 9+ years of experience in thermal power plants and desalination facilities. Expertise in mechanical maintenance, HSE compliance, risk assessment, and project execution. Skilled in permit-to-work (PTW) systems, CMMS, SAP ERP, and employee safety training. Strong ability to enhance operational efficiency while ensuring compliance with international safety standards (NEBOSH, OSHA).

Experience

First National Operation & Maintenance Co. (NOMAC) | Apr 2017 – Present

HSEE/O (2021-till now)

- Implement and monitor safety management systems (SMS) to ensure workplace safety.
- Conduct risk assessments and implement HSE protocols to maintain a safe work environment.
- Deliver HSE training sessions to employees, ensuring compliance with company and international safety standards.
- Manage and oversee Permit-to-Work (PTW) systems, ensuring strict adherence to safety procedures.
- Lead emergency response initiatives and drills to enhance preparedness and minimize risks.

Mechanical Supervisor (2017_2021)

- Lead and supervise mechanical maintenance activities in steam and RO plants, ensuring maximum operational efficiency.
- Utilize CMMS and SAP ERP for maintenance planning, tracking, and reporting.

Hyundai Engineering & SEC | Nov 2015 – Apr 2017

Mechanical Quality Engineer

- Supervised the construction and commissioning of a 2,880 MW steam power plant, ensuring all mechanical systems met engineering and safety standards.
- Conducted quality inspections and ensured compliance with ISO and OSHA regulations.
- Collaborated with cross-functional teams to address and resolve technical and safety issues.

CERTIFICATIONS

- NEBOSH International General Certificate in Occupational Health & Safety
- NEBOSH HSE Certificate in Process Safety Management – NEBOSH, UK
- NEBOSH HSE Certificate in Process Safety Management
- OSHA Construction Safety & Health
- Level 2 Fire Safety Management (AOSH, UK)
- Workplace Managing Safety (IASP)
- Hazard Identification & Stop Work Authority (IASP)
- Permit-to-Work & HAZOP Training
